

Directions to the Capital Region of Denmark test site the Innovation Garage
Skovlunde Byvej 96a, DK-2640 Skovlunde

By car

The Innovation Garage is on the north side of Skovlunde Byvej, behind an auto repair shop. There are signs at the road to the Innovation Garage (see figure above), “Palms Auto” and “KFN Finmekanik”.

We have limited parking at the site and alternative parking at Dyregårdsvej north of the site. Follow the red dotted line on foot through the fence between no. 94 and 96a right at our buildings.

By public transportation

The nearest S-train station, Skovlunde st., is about 1 km. southeast of the site.

The nearest bus stop (line 350S) is about 300 meters away at the Danish Technical University on Lautrupvang, cf. the map on the right.

Please consult the public transportation guide www.rejseplanen.dk for directions and timetables.
